

LÉNA STEIN

CONCEPT ART // ANIMATION 2D

ABOUT ME

Just finishing my studies, I aspire to start a career as a concept artist and/or 2d animator in order to develop a versatile profile. I have always been passionate about drawing, painting and films. I am a dynamic, motivated and effective person. I like to meet new people and travel. I like to represent in my personal projects subjects that are important to me, such as femininity or nature.
